Mathematics links	Data Handling – supporting work in Science – graphs in eye/ hair colour, height, birthday months.	Shape / Measurement – supporting work in DT designing a vehicle / boat Position, Direction and Movement – instructions for a journey	Position, Direction and Movement – supporting map work and ICT Beebots.	Number – supporting work in Science life cycles, recording days of Caterpillar growth	Measuring – supporting work in Science on growing plants/changes	Fractions – supporting work in DT and Literacy making a picnic.
Science Weeks 1 & 2	To identify, name, draw and label the basic parts of the human body.	To identify and name the basic parts of the human body and say which part of the body is associated with each sense.	To identify and describe the basic structure of a variety of common plants – trees – seasonal changes – buds forming, blossom, spring bulbs flowering	Describe and compare the structure of a variety of common animals – including pets – life cycles	Identify and name a variety of common wild and garden plants including trees	Identify and name a variety of common animals – reptiles, birds and mammals -identifying carnivores/herbivores/ omnivores
	Ourselves	Ourselves	Plants	Animals	Plants	Animals
Science Weeks 3 & 4	Distinguish between an object and the material it is made from Identify and name a	To identify and describe the basic structure of a variety of common plants – trees – seasonal changes – leaves falling, fruits, berries	To recognise, name, sort, compare and describe properties of everyday materials.	To recognise, name, sort, compare and describe properties of everyday materials.	To identify and describe the basic structure of a variety of common flowering plants,	To investigate waterproof materials -
	variety of everyday materials	Planting bulbs	To investigate materials suitable to create bird feeders - boxes	To investigate materials suitable to create bug hotels	To plant herbs, sunflower seeds, cress	
	Materials	Plants	Materials	Materials	Plants	Materials

Science Weeks 5 & 6	To identify, name, describe and compare a variety of common farm mammals.	To identify, name, describe and compare a variety of common reptiles/amphibians	To identify, name, describe and compare a variety of common birds.	To identify, name, describe and compare a variety of common fish and amphibians.		Consolidation and assessment.
	Animals	Animals	Animals	Animals		
Art	To use a range of materials creatively.			To develop techniques using colour, texture, pattern, line, shape, form and space.	To develop techniques using colour, texture, pattern, line, shape, form and space.	
	Andy Goldsworthy, nature collage.			Camouflage/Collage Animals	Observational drawing of plants	
	DL 1.1 Recognise common uses of information technology beyond school.	DL 1.2 / 1.3 Use technology safely and respectfully keeping personal information private. Think U Know – Hector's World.
