## Safe Week 6th - 11th June 2017

Safe week is inclusive to all. The message for Safe Week is to provide information and tools on how to ensure everyone who lives in Northumberland, North Tyneside and Newcastle can be safe. What do we mean by staying safe? Safe can have different meaning to different people. An example could be keeping yourself and children safe during hot weather, using sun screen or keeping safe in water. Safe is also about cyber crimes, bullying, and mental health issues. Pupils will work on a stay safe theme through Safe Week culminating in participating in **Purple Friday (11th June)**, where children are asked to come along to school dressed in something purple to support Safeguarding.

### School Uniform

Our supplier for uniform is **Cloud 9 Leisure**. They are a local company based at Cramlington. Please access their website for further details;
