Dear Parents/Carers

As part of our wellbeing provision in school we have continued to engage the services of our counsellor, Marie Archer.

Marie will be in school on Mondays and Fridays and will be providing therapeutic support for all children; either through one to one counselling sessions or lunchtime drop in. She offers a safe and confidential space for children to talk through worries and difficulties they may be experiencing. Referrals for one to one counselling can be made from yourself or members of staff. Lunch time drop in are a self referral service.

This confidential service is also available to parents and carers. If you would like to speak to Marie, please contact the school office.

We feel it is important that the children of New Delaval Primary have access to this service if they require it. If you **DO NOT** want your child to access our counselling service , please complete and return the slip below.

Yours sincerely

Mrs D T Worrall
