Dear Parents/Carers

We have a very busy half term leading up to the summer break. There are lots of activities, events and visits planned. I would ask you to keep an eye on our school website and Twitter account for more information. Year 6 are heading off to High Borrans this weekend, I hope the weather improves! There is so much going on in school please remember to check the diary dates overleaf.

New Build

I am sure you are aware our new extension is rapidly progressing and we are looking forward to having the extra space in the Autumn term. I hope to have an update from the construction team re completion in a couple of weeks and I will let you know arrangements for the autumn term at this point. Thank you for being so patient and accommodating with the temporary arrangements in and out of school.

Assessments

As you know Year 6, Year 2 and Year 1 are taking part in national assessments. The results of which will be sent out to parents/carers nearer the end of term. The children have coped magnificently with what can sometimes be a stressful time.

Punctuality

Thank you those parents/carers who make sure their children arrive at school on time. However, we do have some children who are persistently late to school. Statistics show that children who are regularly late do not achieve their potential and do fall behind in class. Please make sure your child arrives at school for 8:45am. I will be speaking to parents/carers of those children who are regularly late.

Staffing

Some parents will already be aware that Mrs Anderson is due to start maternity leave at the end of the academic year. A new member of staff, Ms Sawyer has been appointed, and she will teach in Year 6 next year. Miss Wouldhave is also leaving New Delaval we would like to thank her for her hard work and dedication and we wish her well. Please see below staffing for 2019/2020.
