Dear Parents/Carers

It has been so lovely to see all the children return back to school. The children are thoroughly enjoying working alongside their teachers and friends and also enjoying the structure and routine of school.

I understand there will be some anxiety about the return but we have in place a rigorous risk assessment in order to keep every one as safe as we possibly can. With this in mind, can I please remind parents/carers when dropping off and collecting children to wear face masks, and please maintain minimal contact between families and bubbles when outside the school gates this measure is still required to ensure safety throughout our community. This will help us to ensure school can remain open!

Parents Evenings - Wednesday 24th and Thursday 25th March

I hope that you find our parents evening this week invaluable, and that you are happy with your child's progress. If you have not managed to make an appointment please contact the school office.
