Dear Parents/Carers

Here we are at the end of another academic school year ! I would like to thank all our pupils, parents and carers for what has been another fantastic year. Reports went out to parents last week and I am sure you will be pleased with the progress your children have made during this academic year. If you have any queries please contact the school office.

Without the support from families we would not have the opportunity to work with your children. I, along with teaching and support staff have enjoyed watching your children grow and develop both academically, socially and emotionally throughout the school year.

I would like to take this opportunity to thank our brilliant team of teachers and support staff who work at New Delaval and for the work they do to support our children in school.

Staff and children would also like to wish our Year 6 pupils all the very best for their journey into secondary education. Year 6 have been a fantastic year group they have worked extremely hard all through the year and coped amazingly well with SATs, showing maturity beyond their years. We will miss them but they are ready to embrace and enjoy secondary life.

New Build

Building work should be completed before the children return to school after the summer break, we will contact parents via our text messaging service on 3rd September to confirm details of how parents, carers and children will enter school.

ICT NAACE Award

I am delighted to inform you that New Delaval Primary school have been awarded an ICT NAACE award this is awarded to schools who have shown a good use of technology to support teaching, learning in school. A big thank you to our ICT Lead, Mrs Horne who worked tirelessly to achieve this accreditation.

Thank you once again for your support, have a lovely safe summer break and let's hope the sun continues to shine.

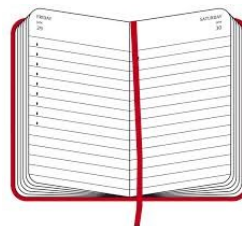

Finally, please remember we have two teacher training days at the beginning of the Autumn term so children will return to school on Wednesday 4th September at 8:45am.
