

YEAR 6 SUMMER NEWSLETTER 2019

Summer term will be extremely busy for year 6, as they complete their SATS in week 4 of this half term. Every child is well-prepared and as I keep telling them ... this is their opportunity to show off everything that they can do!

Please remember that attendance is vital in the next few weeks, to ensure that children do not miss important learning opportunities.

Summer 2:

After the holidays, children will start an exciting new topic:

EXTREME EARTH

Within this topic, they will explore natural disasters (including tsunamis) and famous explorers, such as Sir Ernest Shackleton.

In PE, children will be practising their athletics skills, in preparation for a competition at Monkton Stadium. There will also be a netball tournament for girls.
