Dear Parents/Carers

Return to School

As we were all expecting, on Monday the Prime Minister outlined the 'roadmap out of lockdown'.

I know that I speak on behalf of all the staff and governors when I say that we look forward to welcoming all the children back to school on March 8th.

Over the next few days, we will learn more about this "roadmap", which will inform us how to facilitate a smooth and sustainable return. I will of course, keep you updated and send further information out early next week.

During the next week or so, it would really support your child to make a smooth transition if you could start to establish their 'usual' routines of going to bed early, setting the alarm in time for school and getting dressed. From experience, these little adjustments have really helped prepare children ahead of coming to school.

Return to school details will be sent via email, please regularly check your inbox.

Mid Year Reports

Reports will be posted out to parents and carers on Friday 26th February, we will be arranging parents evenings via telephone for the last week in March. We will contact you with further details in due course.

National Offer Day - Year 7

Parents and carers of children in Year 6 should receive their offer on Monday 1st March.

National Offer Day - Reception Class

Parents and carers of children in Nursery should receive their offer on Friday 16th April.

Message from School Office

If during this lockdown you or any of your contacts have changed address, telephone number or email address please contact the school office with new details.
