Whole School Focus Platinum Jubilee Celebrations

Dear Parent and Guardians,

This year marks a historic moment - the celebration of Her Majesty the Queen's Platinum Jubilee, marking an extraordinary 70 years on the throne. A once-in-a-lifetime historical moment our school can celebrate together at New Delaval Primary school. The Platinum Jubilee will provide our children with an exciting cross-curricular opportunity to demonstrate our 'Respect' values over a week commencing week **beginning 23rd May - until Friday the 27th of May.**

Whole School Focus:

This is an excellent learning opportunity for our children to be fully immersed in a once in a lifetime historical event. I have outlined an overview for a Whole School Focus – celebrating the Platinum Jubilee Celebrations. We have planned many learning opportunities for our children so that they are fully immersed in this memorable cross-curricular historical event. Children will create poems, letters, and much more, using events in a historical context. We will then select a piece of work from each key stage and send it to Her Majesty the Queen.

There are four main sections included:

- Who is Our Queen?
- What is the Role of Our Queen?
- What is a Jubilee?
- Take part in history and celebrate

New Delaval Celebrations - Friday 27th May

Children will be invited to come into school in non-uniform dressed in clothes in colours of red, white, and blue. Each class will have their own Jubilee tea party to celebrate with their class on Friday 27th May.

Parents, Guardians, and children are also invited into the school hall to celebrate the Platinum Jubilee celebrations with a cup of tea and biscuit on **Friday 27th May at 3:15pm.**

Thank you for your support and we look forward to seeing you in school soon.

Yours sincerely,

Mrs. P Monaghan
