Dear Parent/Carer

Last term, our class took part in a social action project with staff from the NUF foundation. The project involved looking at how we could help in our community and the wider community. We considered who would need help and suggested ideas we could carry out to make a difference. The children worked really well researching and presenting their ideas before as a class deciding on their project.

The children decided that they would like to do something to **help the homeless**. As a result, we would like to invite all of the children to come to school in **non-uniform on Friday 20th May**. We would like each family to **make a donation of £1**. This money will be collected and sent to **Shelter**, a charity which supports people in finding a home and gives advice and support.

We understand that Year 6 will be leaving for High-Borrans on the 20th May but welcome them to bring in a donation if you are able to.

Many thanks for your continued support, we will let you know how much is raised.

Yours sincerely
