Dear Parents/Carers

New Delaval Primary School has been lucky enough to secure a place in the first ever Lego League Explore competition for junior children in Northumberland.

This will involve a team of six, Year 2 children working together with me (Mrs Horne) over ten weeks using coding, design and real-world research to create a working Lego model that fits a given theme. The team will also need to produce a poster explaining how their creation works and the rational behind the design. The pupils will then present their finished model and poster to be judged alongside all the other participating local school teams at Sage UK Software Solutions at the Cobalt Business Park near Silverlink on Friday 8<sup>th</sup> July 2022.

The team will run as an after-school club from 3.15-4.15pm every Tuesday beginning after the Easter holidays for 10 weeks. This is from and including Tuesday 26<sup>th</sup> April until Tuesday 5<sup>th</sup> July 2022.

If your child is interested in being part of this team then he/she needs to complete the application below and be prepared to attend EVERY one of the sessions PLUS the competition day in July. Completed applications should be returned to Mrs Horne by Friday 1<sup>st</sup> April. Your child will also need a permission form completed by you (see attached).

Yours faithfully
